LIVE LIFE
THE NATURAL WAY

"LIVE LIFE, THE NATURAL WAY!"

"Ayurveda is the most sacred science of life, beneficial to humans both in this world and the world beyond."

- Charaka

Dr. K.V. Vijayan Institute of Ayurveda Medical Science (VIAMS) was established in 1972 by late Dr. K.V. Vijayan. Over the years, VIAMS has developed into a full-fledged hospital facility, nestled in the beautiful district of Palakkad in Kerala. Our dedicated high-profile team provides Ayurvedic treatments with a holistic approach to produce total cure solutions.

VIAMS has an excellent track record in patient relations. We provide medical resolutions for all sorts of ailments. The R&D wing together with our own manufacturing division, KEVEES Pharmaceuticals, has been developing clinically proven customized medicines for excellent results. This integration of various departments has been effective to manage all ailments, maintain ill-health competitively, and to lead a healthy & happy life.

AYURVEDA UNITES VIAMS

The conceptual and functional framework of Ayurveda is vastly inclusive in fulfilling a contented life. It embraces complete wisdom and knowledge for a successful life, and sustenance for a healthy social and personal life.

Ayurveda understands the limitations of humanity and, at the same time, the scope of wisdom in prolonging life and anti-aging. We attune to the traditional wisdom laid down in Ayurvedic texts and integrate modernity.

OUR SERVICES

VIAMS provides holistic Ayurvedic treatments for all diseases as explained in Vedic scripts. Our specialized protocols for Skin Disorders, Spinal Disorders, Male and Female Infertility, Respiratory Disorders, Ano-Rectal Diseases & Neurodegenerative Disorders- especially Parkinson's Disease- gives breakthrough for those suffering from these difficulties.
